

THE TRANSFORMATIVE
IDEAS IMAGINED
IN NEW DELHI ARE
DEFINITELY
LONG-TERM, YET THEY
HAVE BROUGHT NEW
PERSPECTIVES
TO OUR WORK,
ESPECIALLY THE
'BIG-PICTURE' DREAM.

DR. RENU KHOSLA,
CENTRE FOR URBAN
AND REGIONAL
EXCELLENCE, (CURE)

Maybe it is too ambitious to rethink the edge, the front and permeability at once. It will take time to incubate these ideas and to nurture and build city/people partnerships, but while we may never fully reach the real goal – policy change – we do believe that they have helped to expand the boundaries of our own understanding.
